

BEFORE THE DIVISION OF OIL, GAS AND MINING
DEPARTMENT OF NATURAL RESOURCES
STATE OF UTAH

---ooOoo---

IN THE MATTER OF TENTATIVE
DECISION TO APPROVE THE MINING
AND RECLAMATION PLAN FOR
UTAH BUILDING STONE SUPPLY'S
DOVE CREEK QUARRY,
BOX ELDER COUNTY, UTAH

NOTICE OF TENTATIVE
DECISION TO APPROVE
NO. M/003/016

---ooOoo---

THE STATE OF UTAH TO ALL OPERATORS, TAKERS OF PRODUCTION,
MINERAL AND ROYALTY OWNERS, AND PARTICULARLY ALL PERSONS
INTERESTED IN SECTIONS 13 AND 14 , TOWNSHIP 13 NORTH, RANGE 16 WEST,
SLBM, BOX ELDER COUNTY, UTAH.

Notice is hereby given by the Division of Oil, Gas and Mining of its tentative decision to approve the Mining and Reclamation Plan for Utah Building Stone Supply's Dove Creek Quarry. Mining activities will affect the following area: Northwest 1/4 of Section 13, North 1/2 and North 1/2 of the South 1/2 of Section 14, Township 13 North, Range 16 West, SLBM, Box Elder County, Utah.

Utah Building Stone Supply will employ the following mining and reclamation techniques on approximately 19.7 acres of Private and Federal (USFS) land. This is an existing small (< 5 acre) mining operation that is expanding to a large mine category.

During Operations

Stone is extracted using a track excavator with occasional drilling and blasting to loosen the material. Blocks are loaded on trucks and shipped to the Enterprise Millsite near Park Valley, Utah for processing and packaging. Some stone is split and stacked on pallets at the site before being shipped. New quarry areas which have available soil material will be salvaged and stockpiled for reclamation.

After Operations:

Waste rock materials will be used to backfill the pits to eliminate the highwalls and, to the extent possible, return the land to the original topography. Available topsoil will be respread to a depth of 10 inches on new quarry areas. Composted manure will be used to amend waste fines on current quarry areas to make them suitable to support vegetation. Roads that will be reclaimed will be ripped to alleviate compaction. All regraded areas will be seeded with an approved seed mix designed to enhance wildlife habitat and grazing. All equipment and debris will be hauled from the site. There are no permanent structures associated with this operation.

The person representing the company is Mr. William Bown; Phone (801) 295-0601. Utah Building Stone Supply is fulfilling obligations under the Utah Mined Land Reclamation Act of 1975, Utah Code Ann. §40-8-18.

Any person or agency aggrieved by this tentative decision to issue approval is hereby requested to submit written protest within thirty (30) days of the date of publication to Mary Ann Wright, Associate Director of Mining, Division of Oil, Gas and Mining, 1594 West North Temple, Suite 1210, Box 145801, Salt Lake City, Utah 84114-5801, setting forth factual reasons for the complaint. If no responsive written protests are received by the Division within 30 days after the last date of publication, the tentative decision of the Division will be final.

DATED THIS 14th day of June, 2000

STATE OF UTAH
DIVISION OF OIL, GAS AND MINING

Lowell P. Braxton

Lowell P. Braxton
Director

CERTIFICATE OF MAILING

I hereby certify that I caused a true and correct copy of the foregoing Notice of Tentative Approval for Utah Building Stone Supply's Dove Creek Quarry project (M/003/016) to be sent via facsimile, electronic mail, or mailed by first class mail, postage prepaid, the 14th day of June, 2000 to:
